LA DI honors the creativity, team spirit, and bravery of a former Legacy Elementary DI team member, Emilie Gibson, who bravely battled DIPG brain cancer while also participating in DI. Emilie loved unicorns, rainbows, funny hats, and life, and will be remembered forever for her sense of humor and love of her family and friends. We are accepting donations to The Emilie Foundation for DIPG research at each team challenge site and at the DI Store for those who would like to write a check or donate cash to support research for the cure.
